

GRANT APPLICATIONS 2016!

The *Backing Our Youth* campaign is an initiative of Vanderfield and Artesian Foundation aiming to secure sustainable community funding for school chaplains in regional communities. For more information about the campaign visit www.backingouryouth.org.au.

Grant Process

- 1) You (the applicant) are a chaplain currently working in a school in regional, remote or rural Queensland.
- 2) Think about that project you've been planning for a while but haven't had the funds to fulfill. Tell us about it—specifically how it will build resilience in your students.
- 3) Fill in the application form.
- 4) Ask your principal (or acting principal) or LCC contact to sign it. This will be a great chance to let them in on your plans and show their support.
- 5) Submit your form via email to info@backingouryouth.org.au
- 6) Grant applications will be processed by the *Backing Our Youth* Governing Panel at the beginning of each month.
- 7) Applicants will be emailed by week 3, if your application has been successful, Artesian Foundation, on behalf of the *Backing Our Youth* Governing Panel, will distribute funds into approved LCC accounts by the end of the month.

Grant Criteria

- 1) These grants are offered as a one-off sum for specific projects, this may include chaplain hours.
- 2) To promote the campaign broadly in this pilot year, we prefer grant requests of around \$1,000. Requests of more than \$1000 will be considered, however, please ensure that at least a portion of your project can be achieved for this sum if you are unsuccessful in receiving a grant for the full amount.
- 3) Grants are available for regional, rural and remote Qld locations only.
- 4) Areas serviced by Vanderfield dealership regions in or near Biloela, Bundaberg, Chinchilla, Darwin, Emerald, Gatton, Gympie, Katherine, Kununurra, Mackay, Roma, St George, Toowoomba may receive priority funding.
- 5) Applicants have to be able to demonstrate the achievability of their happy project/initiative and how it will build resilience in young people.
